# Breitbart's Site Has Video of Kagan Saying She's a Commie

By Marty Kaplan

Should Rahm text her to withdraw her nomination?

Everything about the Shirley Sherrod story stinks. Did the White House ask her to resign her USDA job because they thought a video on Breitbart's site — making it appear she was biased against whites — actually counts as real evidence? Haven't they heard about dirty tricks? Or is a right wing smear job enough to make good people act stupidly?
