# How to Hack a Diebold Voting Machine

---

By Marty Kaplan

08/01/2006 11:40 pm ET | Updated May 25, 2011

Hat tip to [www.openvotingfoundation.org](http://www.openvotingfoundation.org) for the pix & tips. GEEKSQUAD update: You'll also want a USB gender changer (\$2.99) and a USB-to-serial converter (\$24, but it can double as a keyring) in your pocket. Democracy rules!
